ABOUT: **the happy tooth**   
**FOUNDATION**

The Happy Tooth Foundation is on a mission to empower children to reach their full potential by building four pillars of success: food security, physical wellness, self-esteem and literacy. In 2019 we are fulfilling this mission by providing underserved children scholarships to summer experiences they would otherwise not be able to afford and expanding our Plow & Share Farm which will grow and supply food for low-income families in the Triangle area.
